

## AERATED STATIC PILE COMPOSTING WORKSHOP

Join Peter Moon with O2Compost in Athens, Georgia for this unique training opportunity. Peter is recognized as one of the nation's leading trainers in the science and art of ASP Composting. His aerated compost systems serve a wide variety of organizations including farms, private and public institutions, municipalities, and industries.

O2Compost was formed in 1996 and has designed over 1,250 aerated compost systems serving clients throughout the United States, Canada and 18 foreign countries.

**Date & Time: Thursday, October 4, 2018, 8 AM – 5 PM ♦ Cost: \$25**

The classroom portion of the workshop will be held at the **State Botanical Garden of Georgia, 2450 S. Milledge Avenue** with field experience provided at the ACC Landfill, 5700 Lexington Road, Winterville, GA. This class will include a lite breakfast, lunch, snacks and all course materials.

Basic Agenda: composting 101 (with a focus on ASP), fieldwork including ASP construction and composting as a manufacturing process plus open discussion.

To register: Complete the registration form and send to Stephanie Hubbard with Georgia Chapter SWANA at [georgiaswana@gmail.com](mailto:georgiaswana@gmail.com) or contact Stephanie at (770)822-9308. **Registration Deadline: September 20, 2018**

For more information about the workshop, contact Suki Janssen at [suki.janssen@accgov.com](mailto:suki.janssen@accgov.com).

**Seven (7) Continuing Education Units (CEU's) available for participants. 50 Participants Maximum.**
